From Aberdare and Hirwaun take the A4059 and turn right to Mountain Ash, by the council offices.  
From Abercynon turn left at the same junction.

You will cross a bridge over the river and railway. At the traffic lights at the end of this road turn left towards the station.

The one way system will filter you left after the Nisa supermarket, and through the station car park. Park here. Nb this is a pay and display car park.

Walk away from the station, going up a few stairs past the public toilets. Walking across a public seated area, with a statue of Bran and Guto on your left, cross the main street.

Turn right and walk 30 yards along the road to Bruce Street. Turn left up Bruce Street and Ash Veterinary Surgery is the first door on your right (we are above Lasco hairdressers).
